(b) Memo for ExDir-Compt fr DDS, Subj: Consolidation of Agency Retirement Board, dtd 26 Jan 66

1. This memorandum submits a recommendation for your approval; this recommendation is contained in paragraph 5.

2. In reference (a), the General Counsel raised the question of the need to continue two separate retirement boards and the suggestion that the Agency Retirement Board, which relates to the Civil Service Retirement System, be consolidated with the CIA Retirement Board.

3. In my memorandum, reference (b), I expressed general agreement with the General Counsel's suggestion but urged that action be deferred in view of the heavy workload faced by the CIA Retirement Board in completing the initial screening for participation in the CIA Retirement and Disability System. The initial screening phase, with the exception of a few cases, has been completed and it is now appropriate to consider the consolidation of the two retirement boards.

4. Although the CIA Retirement Board still is involved in developing policies and standards concerning the administration of the CIA System, the Director of Personnel advises that the Board should be able to handle easily the relatively small number of extension cases currently being submitted to the Agency Retirement Board. For this reason, we are now prepared to recommend the consolidation of these two retirement boards which can be accomplished by amendments to the retirement regulations. Upon your approval, I will initiate the appropriate regulatory changes.

5. It is recommended that the Agency Retirement Board be abolished and its functions transferred to the CIA Retirement Board.

MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Agency Retirement Board - Civil Service  
Retirement

Attached is the annual report of my Retirement Board on Civil Service retirements. It is quite interesting, and you may wish to mention it to the DDCI and the DCI. This also raises in my mind whether we should continue two separate retirement boards. I do not have very strong feelings on this as my board is going pretty smoothly, but it does take some time and it might make sense to consolidate it with the CIA Retirement Board.

If not, Mr. Borel proposes to represent the DDI in place of [redacted] who has retired.

## MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Consolidation of Agency Retirement Boards

REFERENCE : Memo dtd 11 Jan 66 for Ex. Dir.-Compt. fr  
General Counsel, subj: Agency Retirement  
Board - Civil Service Retirement

1. This memorandum contains a recommendation for your approval. Such recommendation is contained in paragraph 4.

2. The Director of Personnel and I have considered Mr. Houston's suggestion in reference memorandum that the Agency Retirement Board be consolidated with the CIA Retirement Board. I believe this is a good idea but urge that we defer action on it for another year or so.

3. The CIA Retirement Board still faces a heavy workload over the next several months in screening new participants. They are also deeply involved in working out the policies and standards that govern the administration of the CIA system. For these reasons we would strongly prefer not to have them take on just yet the additional functions of Mr. Houston's Board.

4. I would therefore recommend that our two Retirement Boards continue to function as they have in the past and that we take another look at Mr. Houston's suggestion next December.

The recommendation contained in paragraph 4 is approved.
